- Claims 1-10, 13, 15-28, 31 and 33-35 are allowed.

that is allocated to the first host system, wherein the administrator system designates the second host system as the designation host system for the host identity” or “ an administrator system designating itself as an intermediate destination for the host identity allocated to the first host system” in combination with the other limitations recited in independent claims 1, 17, 19 and 35.

- Claims 2-10, 13, 15-16, 18, 20-28, 31 and 33-34 are allowed because of their dependency from independent claims 1, 17 and 19 respectively.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
